

Welcome to The Gospel Project for Kids At Home, a resource designed to fuel family discipleship in your home in partnership with what kids are learning at church. Each week you will be provided with new content that relates with what is being taught in your church's kids ministry.

Whether you have been discipling for years or are just getting started, The Gospel Project At Home is designed to give you a realistic, yet meaningful, starting point of one night a week family worship that you can build from by using additional content included here as well as by adding other resources.

**START HERE...**

## **Family Worship Experience**

Choose a day and a time for a weekly family worship experience that allows your family to be as consistent as possible to follow this simple plan:

- **Read the Scripture**
- **Talk about the Scripture**
- **Watch the Bible Story Video**
- **Learn Scripture**
- **Sing Scripture**

Use these materials to engage in an experience that lasts about 10-15 minutes, or one that can be longer if you desire. All you need is The Gospel Project At Home and a Bible.

**...THEN CONSIDER ADDING...**

## **Family Prayer Time**

The prayer guide includes two prompts—one for mornings and one for evenings—that you can use during the week to help direct prayer and start casual family conversations about God.

**...AND FINALLY, CONSIDER ADDING...**

## **Family Activities**

Two activities related to what your family is talking about are suggested each week. One activity is for your family to enjoy and the other is for your family to serve in some way as you live out the gospel in your community.
